

FOR IMMEDIATE RELEASE

## **LAC-CORE EXPANDS ADVISORY BOARD**

**Washington, DC, November 20, 2015** – The Latin American & Caribbean Council on Renewable Energy (LAC-CORE) announced today the expansion of its recently established Advisory board with the addition of **Bill Holmberg, Ken Westrick, Pablo Reyes** and **Leticia Phillips**. They join **Jerry Butler**, who serves as Chairman.

All of the above individuals are transitioning from their roles as members of the board of directors. Msrs. Holmberg, Westrick, and Reyes are founding members of the organization.

"We are very fortunate to continue to be able to tap into the minds and vision of these individuals, to whom the industry is indebted," said John Paul Moscarella, Chairman of the board of LAC-CORE.

His sentiments were shared by Ken Westrick, outgoing chairman of LAC-CORE, who stated, "I am pleased to join this group of distinguished colleagues on the Advisory Board." "Having worked with them for many years, I look forward to us continuing to help the organization grow in our new roles", he concluded.

### **About LAC-CORE**

Incorporated in 2008, the Latin American & Caribbean Council on Renewable Energy (LAC-CORE) is a 501(c)(3) non-profit under the U.S. Internal Revenue Code. Based in Washington, D.C., its mission is to match innovation, new technology and financing opportunities for the development of renewable energy markets in Latin America and the Caribbean. Its methodology is to convene, to educate and to encourage partnerships. For more information please visit [www.lac-core.org](http://www.lac-core.org).
